## WHERE'S WHAT

The manual that tells Federal investigators how and where to look for information has been **DECLASSIFIED**

Here it is... **for you to use!**

It tells you where to find the records you need. The printed information you can research. The facts compiled by Federal, state and local agencies that you can pursue. There are samples of official forms so you can determine what supply the data you need. It provides a glossary of legal terms so you can read court rulings. Contains keys to codes used by bureaus to classify information. Sprinkled throughout are professional investigator tips on clearing the most knowledge from every source.

**NOW YOU CAN SATISFY YOUR RIGHT TO KNOW  
WHEN YOU NEED TO KNOW  
WITH THIS VITAL REFERENCE BOOK!**

## DO YOU WANT TO KNOW...

- the credentials of a possible employee?
- the credit record of a would-be borrower?
- how the government investigates you, your finances, your social contacts, your morals?
- the facts about an organization before you join it?
- how to find out what is in the public record about yourself?
